

# MD. Akramul Islam

---

House No. 31, Road No. 02,  
Block-A;  
Keranigonj Model Town,  
Dhaka-1310.

## OBJECTIVES

---

I am a fast learner. Love to explore new technologies. I like to work under pressure and strict timeline. I like challenges. It helps me to learn new things and also to push my limits. I am willing to establish my carrier in Web Development. I prefer PHP as development language. Currently, learning Laravel framework as it is the most complete and advanced PHP framework.

## MY CURRENT PROJECT'S

---

- ❖ Online-Shopping-Store using Laravel
  - Project link : [https://github.com/AkashAkram/ecommerce\\_laravel](https://github.com/AkashAkram/ecommerce_laravel)
