

MD. Akramul Islam

House No. 31, Road No. 02,
Block-A;
Keranigonj Model Town,
Dhaka-1310.

OBJECTIVES

I am a fast learner. Love to explore new technologies. I like to work under pressure and strict timeline. I like challenges. It helps me to learn new things and also to push my limits. I am willing to establish my carrier in Web Development. I prefer PHP as development language. Currently, learning Laravel framework as it is the most complete and advanced PHP framework.
